Theme

Behind each door something goes on. People talk, express their ideas and get involved. Through these doors we enter into what is known as the center of success. We learn how to express ourselves, understand others, and what we can do with our lives.

As the years pass, we open new doors -- with our class, an organization or the administration. In this year's WHS Agrarian we will recapture what happened as we stepped **THROUGH THESE DOORS.**

Val Carleski - Editor & Carol Johnson - Jr. Editor

Working on the 1970-71 Agrarian as assistant editor and the 1971-72 Agrarian as editor has been quite an experience.

There were deadlines we had to rush with to meet, schedules to be made, pictures to be taken, and advertisements to get. I enjoyed every bit of it -- the bad as well as the good -- and I hope next year's staff and editor will find it as rewarding.

I would like to give my special thanks to our advisor, Mr. Hill and to Carol Johnson, my assistant editor. Without the help of these people and the rest of the staff, it would not have been possible to meet the deadlines required in putting out a good yearbook.

*Sincerely,
Val Carleski
